

Hello Horseshoe Valley residents,

Great news! Rogers pure fibre network is coming soon to Horseshoe Valley!

At Rogers, we believe in the power of connections. It is important that all communities have access to reliable high-speed internet service to keep them connected now, and in the future. As part of our commitment to connecting rural and remote communities and to help bridge the digital divide, we look forward to collaborating with local businesses and grassroots organizations throughout Oro-Medonte.

Rogers is extending its network to bring pure fibre Internet service to 1,300 homes in the area. We know Horseshoe Valley residents are eager for more reliable connectivity. Once complete, you will have access to Rogers full suite of services including Rogers Ignite Internet with speeds of up to 1 gigabit, Ignite TV, Ignite Home Phone and Smart Home Monitoring.

Project Details

Some of you may have received letters from us requesting your consent to let us perform work on your property. There is no cost to you, no obligation to purchase services from Rogers and we will ensure your property is left how we found it. If you haven't yet received your letter in the mail, you can expect to shortly.

Once we gain your consent, our technicians will make a narrow pathway slightly below ground for the fibre cable then attach this cable to the exterior of your home and put a small coil of wire to the side of your house. It may require the lifting of small items such as interlocking brick or patio stones. Rest assured that Rogers will take care to leave your property in the same condition in which we found it. We will be responsible only for claims you may have that the work we do has not been completed as specified.

The expansion into Horseshoe Valley include two phases:

- Phase 1: Horseshoe Valley Road from Prices Corners to Sugarbush (*Activation September 2021*)
- Phase 2: Sugarbush, Trillium Trail, Cathedral Pines, Highlands & Carriage Hills (HSV North and South) (*Activation early 2022*)

Rogers is dedicated to providing residents with the latest information on the project. Horseshoe Valley residents who are interested in the services or have questions should contact Colleen Cooke, Rogers dedicated local representative at colleen.cooke@rci.rogers.com.

More questions for us? We can help!

Join Colleen Cooke and the Rogers team at the Oro-Medonte Farmers Market on Canada Day, Thursday July 1, 2021.

The Oro Fairgrounds are located at 80 15/16 sideroad East, Oro-Medonte, L0L 1T0.

Phase 1 addresses are located along Horseshoe Valley Road from Prices Corners to Sugarbush.
