## **BOARD OF DIRECTORS (VOTING MEMBER) VOLUNTEER POSITION**

The Huronia Nurse Practitioner-Led Clinic (NPLC) is located in Horseshoe Valley, on the 4th Line in Oro-Medonte, Ontario. The Clinic provides primary health care services to local residents. These services include: illness and injury treatment; physical exams; primary health care across the lifespan; prenatal care; immunizations; chronic disease care; counseling and education. Our Board of Directors consists of Nurse Practitioners and Community members. We are recruiting additional Directors for our Board.

Our Clinic is governed by a collegial Board of Directors with a varied skill set. Our strategic plan, mission, vision and guiding values support the Board in its governance and the Clinic's success.

### **Position Summary**

The Director's role is supported by a formal welcome and orientation to Board of Director roles and responsibilities. Our Directors gain personal and professional board and committee experience through the "Guide to Good Governance" resources and networking with regional partners. We meet one evening every month and have an annual strategic planning day. There are additional opportunities to be involved with committees as desired.

### **Qualifications**

- Proven leadership abilities with excellent oral, written and interpersonal skills
- Ability to work as part of a team
- Board and governance expertise and familiarity with good governance systems
- Knowledge in primary health care services would be an asset.
- Willingness to devote the time and effort required to become an effective Board Director including attendance at board orientation, meetings and organizational events.

Desired skills in one or more areas as follows:

- accounting/fiduciary responsibilities/finances;
- human resources management;
- government relations;
- project management;
- information technology;
- strategic planning;
- risk, quality and performance management;
- public affairs and communications

**Huronian NPLC Board of Directors' offer:**

- A collaborative governance work environment
- Opportunities for professional growth, development and networking
- Opportunities to impact the wellbeing of the community by improving access to primary health care.

Interested applicants can forward their letter of interest and resume to:
