

## **The Township of Oro-Medonte Requires a Skills Based Board of Directors For a Municipal Services Corporation**

The Township of Oro-Medonte is currently seeking new Board of Director members for a recently incorporated Municipal Services Corporation (MSC), responsible for the Township of Oro-Medonte's Environmental Services division infrastructure; inclusive of: the Township's ownership, operation, maintenance and funding of drinking water, streetlights, stormwater management, communal tile beds and wastewater services.

MSC Board of Directors will be compensated consistent with the Township's current Remuneration & Expense Bylaw for Council/Committee members.

The primary purpose of the skills based Board of Directors is to provide governance oversight for the Municipal Services Corporation. The Township's objective is to establish a Board of Directors including individuals with varied backgrounds, who are committed to the evolution of the provision of Environmental Services across the municipality. The Board is also anticipated to include a member of Council who will primarily support the relationship between the MSC and Council.

Based on the services to be provided by the MSC, the following skills criteria are required in the overall composition of the MSC(s) Board of Directors:

- Civil Engineering/Water Resource/Environmental Engineering – Strong working knowledge and/or direct experience in civil engineering/water resource/environmental engineering and general project management.
- Financial Expertise – Strong financial acumen as it relates to financial reporting and analysis within the public sector.
- Awareness of Services Provided by the MSC & Overall MSC Business Model – Awareness of the services provided by the MSC and specific challenges related to the provision of Environmental Services in a rural community with urbanized pockets; aware of the Municipal Act (municipal governance) and the governing principles of an MSC.
- Government Relations – Possess a solid understanding of managing government relations at all levels.
- Corporate Social Responsibility/Public Relations & Communications – Experience and expertise with respect to environmental stewardship at an organizational or the broader community level.
- Risk Management – Professional expertise as it relates to assessing and advising on the issue of risk management within a financial/business environment.

Preferably, all candidates should have previous experience and expertise serving on a Board of Directors for a similar business/undertaking.

All Board members must be Canadian citizens.

Additional information regarding the MSC, associated business case, municipal authority regulations, background information inclusive of staff reports to Council, and related Council endorsements can be found at [Municipal Services Corporation - Oro Medonte \(oro-medonte.ca\)](http://Municipal Services Corporation - Oro Medonte (oro-medonte.ca)).

Interested applicants who possess the skills above, with a desire to commit to the Board of Directors, are invited to submit expressions of interest, their CV and a short introduction outlining their professional experience, understanding of Board governance, knowledge of municipal government and functions, and confirmation of personal time commitments to the attention of **Township Clerk RE: MSC Board of Directors** via email by **October 7, 2022 at 4:30 p.m.**
