

# Proclamation

## Fetal Alcohol Spectrum Disorder FASD Awareness Day September 9, 2018

### Fetal Alcohol Spectrum Disorder (FASD)

#### Goal

The purpose of the Fetal Alcohol Spectrum Disorder (FASD) Initiative is to facilitate the collaborative development of a comprehensive approach to prevention, diagnosis and interventions for individuals and families in Simcoe County.

#### Services

Through collaborative partnerships with organizations across Simcoe County, the FASD initiative facilitates the coordination of activities to increase awareness of FASD and strategies aimed at prevention, identification and positive supports and services for those affected and their families. The initiative coordinates training for professionals and families related to positive practices and management strategies, preparing resources for professionals and families and collaboratively building a foundation for formal screening and diagnostic services in Simcoe County.

The Township of Oro-Medonte proclaims September 9, 2018 as FASD Awareness Day.
