

Township of Oro-Medonte
Proclamation Support for Ukraine

Whereas: Russia launched an unprovoked attack on Ukraine on February 24, 2022; and

Whereas: Millions of Ukrainian citizens have been displaced creating over one and a half million refugees fleeing to other countries, to date; and

Whereas: Russia shows no signs of retreating and continues a systematic attack on innocent civilians and critical infrastructure; and

Whereas: The Township of Oro-Medonte is home to many Ukrainian families, who have family in Ukraine fearing for their lives; and

Whereas: The Township of Oro-Medonte hopes for a quick and meaningful solution for the citizens of Ukraine.

Therefore I, Mayor Hughes on behalf of Oro-Medonte Township Council, do hereby proclaim this period as a time for “Support for Ukraine” in the Township of Oro-Medonte. Our thoughts and prayers are with Ukraine and its citizens.
