

Line 6 North and Horseshoe Valley Road Intersection Improvements Background Information

In accordance with Township Council's direction, the Township of Oro-Medonte facilitated a Community Information Session held by Forest Heights Estates on Wednesday, January 20, 2021. The purpose of the Community Information Session was to provide an update with respect to design options for the intersection of Line 6 North and Horseshoe Valley Road, and inform the community how comments may be provided.

For background information pertaining to the project, please see:

- [Option A](#)
- [Option B](#)
- [Staff Report DS2019-118](#)
- [6th Line Intersection Presentation – January 20, 2021](#)

The Information Session is available for review on the [Township's YouTube channel](#).

How to Submit Comments:

Written comments may be submitted by e-mail to planning@oro-medonte.ca until **January 27, 2021**.

General Information
