Open Forum

Public attendance to Electronic Meetings during the course of an Emergency may be restricted to electronic means and will be indicated on the meeting agenda.

There are two ways you can participate in Open Forum during a Council Meeting - by Electronic Participation or Written Submissions.

Electronic Participation (speaking during Open Forum using ZOOM):

- If you wish to make an oral statement during the Open Forum portion of a Council Meeting on an agenda item, please submit a completed registration form, found on the Township website, prior to noon on Monday before the meeting to register or call 705-487-4020.
- Ensure you have a computer with internet access and you may also require a ZOOM account to enable you to participate electronically as an 'Attendee' to make your oral statement during the meeting. Please refer to following tutorial for ZOOM details: <https://support.zoom.us/hc/en-us/categories/200101697>
- While computer attendance is encouraged, if you do not have the necessary technology to participate by computer, you may use a telephone and call in to make your open forum comments.
- If you are participating by telephone, you will not have the option to type in your name. We will ask for the phone number you will be using to participate in the meeting. This information will let us associate the correct name with your phone number. Please note, that depending on the volume of speakers, telephone numbers may be visible to the public; however, every effort will be made to change prior to attendees being promoted to panelists.
- Once you have completed the webinar registration form for participation regarding a Council meeting agenda item and the webinar registration is closed, all applicants are uploaded to ZOOM webinar. Meeting invites are then sent by Zoom to the e-mail you provided in the registration form.
- Please note this link is unique to you and should not be shared with others. Only those whose registration form was received will be permitted attendance.

On the day of the meeting, we ask that you join the meeting fifteen to twenty (15-20) minutes before your scheduled time to speak. When joining via ZOOM, please type in your name so we know who you are. You will be granted the ability to unmute your microphone when it is your time to speak. Please wait for the Chair to request you to speak. You will be able to hear and view the meeting in progress. You will not be able to see other attendees.

- When you have finished speaking, unless you anticipate making further comments, we ask that you leave the Zoom Meeting. If you wish to follow the meeting, please watch it on the Township's YouTube Channel. If you do not leave the meeting and have to be removed by the host, you will not be able to return to the meeting.
- Please **do not** watch the livestream on YouTube while you are using the ZOOM technology as this can distort the sound.

Written submissions submitted by email:

- Depending on circumstances, an Electronic Meeting may not permit an in-person Open Forum, but will permit electronic submissions received in advance of the meeting.
- Open Forum input shall be submitted through an email containing your name, address and your comments on the matter to agendacomment@oro-medonte.ca up to one hour prior to the start of the Electronic Meeting, or as otherwise noted on the agenda.
- Submissions received by 3:00 PM the day prior to the meeting may be included in the amended agenda for adoption. Submissions received after 3:00 PM the day prior to the meeting and up to an hour prior to the meeting shall be read into the public record.

As noted above, your comments must relate to an item on the agenda. Please note you are free to contact any member of Council directly with other matters or questions at council@oro-medonte.ca. If your comments duplicate others received, or does not relate to an item on the meeting agenda, it may not be read.

For all meetings the Clerk/designate will authorize all requests to ensure they are related to agenda items for the meeting.
