## **Township of Oro-Medonte Requests Input into Development of a Parks and Recreation Master Plan**

The Township of Oro-Medonte is developing a Parks and Recreation Master Plan to help guide planning for parks and recreation facilities, parks, trails, and community services. The Parks and Recreation Master Plan will provide direction for future priorities and decisions.

Mayor Harry Hughes commented that “parks and recreation facilities are extremely important to Oro-Medonte. These facilities bring people together, create lasting memories, and greatly contribute to our strong community. We are looking forward to engaging with residents of all ages to create a made in Oro-Medonte plan that will serve the needs of our community today, and into the future.”

The process will include a review of all Township parks, trails, recreation and cultural facilities, and services, and will involve extensive engagement with stakeholders and residents of all ages, to ensure the plan aligns with the community’s needs and priorities.

Shawn Binns, Director, Operations and Community Services commented that “resident and stakeholder engagement will be integral to the Master Plan process. Feedback from the community will help the Township evaluate existing operations, and guide the long-term development of these important services, ensuring reflection of our community’s vision.”

An important component of community engagement is a resident survey. A postcard containing an access code and instructions regarding how to complete the survey has been mailed to all households in Oro-Medonte; please watch for your postcard in the mail. If you misplace your postcard, or do not receive one, a non-coded version of the survey will also be available for completion on October 14, 2021 by visiting [oro-medonte.ca/prmp](http://oro-medonte.ca/prmp). All residents of Oro-Medonte are encouraged to complete the survey – your feedback is very important to the development of the Parks and Recreation Master Plan.

For additional information and to keep up-to-date on this important initiative, please visit [oro-medonte.ca/prmp](http://oro-medonte.ca/prmp).
