

## ATV Draft By-law Taskforce

### **Guiding Principles**

1. Enable ATV/ORV users – recognize a need to provide a place to ride
2. Public safety
3. Risk management – consider associated risks and consider controls to mitigate, transfer, control and manage
4. Concern for the natural environment
5. Financial impact
6. Community impact – maximize benefit to community and minimize negative impacts
7. Ensure flexibility to adapt regulations and change
8. Alignment with Council's Strategic Plan
9. Consider and leverage potential economic benefits
10. Adopt best practices
