Dear Minister Cho,

On behalf of Council for the Township of Oro-Medonte, I am pleased to inform you that Council, at its June 10, 2026, meeting, has officially proclaimed the month of June as **Seniors Month** in our community.

This proclamation recognizes the invaluable contributions that older adults make to our municipality. Seniors play a vital role in strengthening our community through their experience, volunteerism, mentorship, and ongoing engagement in civic life. Seniors Month provides an important opportunity to celebrate these contributions while also raising awareness about the programs, supports, and services available to help older adults live active, healthy, and connected lives.

Our Council is committed to supporting initiatives that promote accessibility, inclusion, and well-being for seniors. We are proud to join communities across Ontario in recognizing Seniors Month and encouraging residents to participate in local activities and celebrations throughout June.

Thank you for your continued leadership and dedication to advancing the interests of seniors and enhancing accessibility across the province.

Yours sincerely,

Randy Greenlaw
Mayor
